ConnectMed's mission is to improve access to surgical care in underserved communities, and support sustainable health care through education, partnerships and technology.

Dr. Amanda Gosman, UCSD Professor of Plastic Surgery, and the ConnectMed International team will collaborate with a team of medical professionals from Tijuana and Mexico City to provide multidisciplinary surgical care in Tijuana.

ConnectMed will broadcast a live interactive presentation and a featured surgery to UCSD and other remote participants from Clínica CER, our partner site in Tijuana, Mexico.

Participation is strongly encouraged by interacting with and posing questions to the patients, surgeons and other
